Design Responsibility and Liability:
This specimen design has been prepared to identify the accommodation, plant and equipment needs for the delivery of oral health services in a clinic setting in New Zealand. While reasonable care has been taken in compiling the specimen design within the context of the design assumptions specified, neither the developer of this specimen design, CHENZ, nor CHENZ or their third party providers accept any liability for any warranty expressed or implied as to its fitness for purpose, completeness or accuracy. As this design is a specimen only, users of this specimen design are required to employ suitably qualified professionals to verify and assume responsibility for the design, validate or vary the design as necessary to suit specific site conditions and undertake appropriate construction monitoring. Any reliance or use of these designs by any person is at their own discretion and risk, and they shall not be entitled to rely on or treat the design as professional advice to them by the developer of this specimen design, CHENZ or CHENZ. In accepting delivery and/or using this specimen design, the recipient agrees and acknowledges that health is accepting the specimen design on the basis set out above.
