DESIGN RESPONSIBILITY AND LIABILITY

Becca has been engaged to identify the accommodation plant and equipment needs for the delivery of oral health services in a clinic setting in New Zealand.

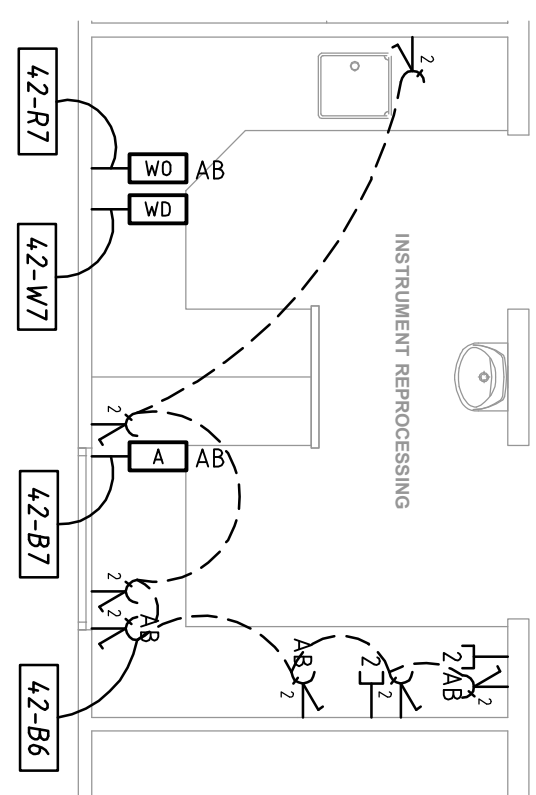

While responsible care has been taken in compiling the specimen design within the context of the design assumptions specified, neither the developer of this specimen design, DBNZ, the CHNB or their third party providers accept any liability nor is any warranty expressed or implied as to its fitness for purpose, completeness or accuracy.

As this design is a specimen only, users of this specimen design are required to employ suitably qualified professionals to verify, and where necessary, amend the design to suit specific site conditions and undertake appropriate construction monitoring. Any reliance or use of these designs by any person is at their own risk and the developer of this specimen design is not to be held responsible for any errors or omissions in the design or its use.

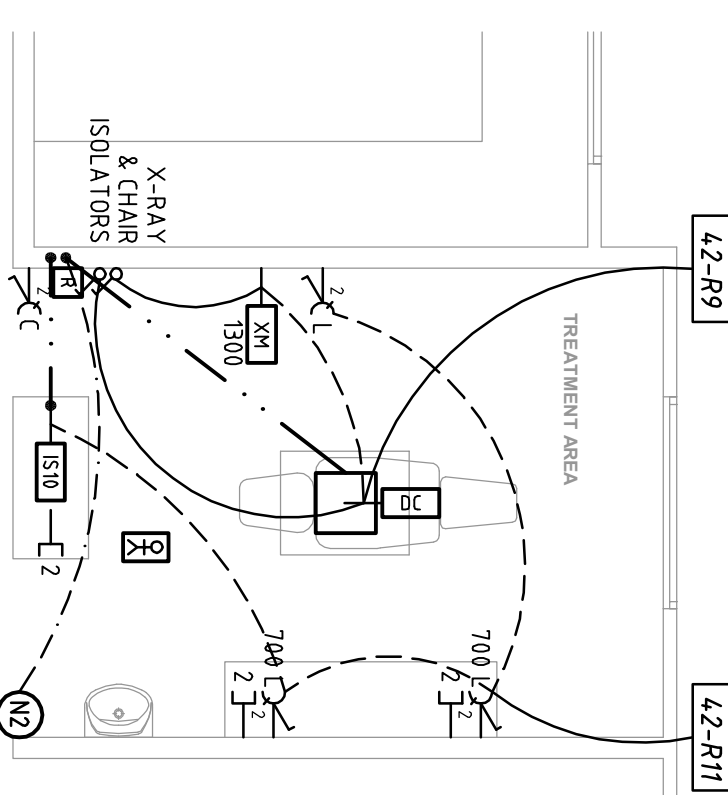

In accepting delivery and/or using the specimen design, the recipient agrees and acknowledges that Becca/it is accepting the specimen design on the basis set out above.
